-
- ¹ This form is to be filled, signed and submitted by the representative of the designated national authority for the Article 6.4 mechanism as notified to the UNFCCC secretariat by no later than 31 December 2025. The secretariat may convert this form into an electronic interface for the submission of the host Party approval, in which case, the signature will be replaced with electronically secure means.
- ² Provisional requests for renewal will not be finalized under the transition process. Therefore, this form is not relevant.
- ³ CPAs already included in a CDM PoA may transition to the Article 6.4 mechanism only in conjunction with the transition of the PoA. Therefore, this box must be ticked if the host Party also approves the transition of the CPAs to the Article 6.4 mechanism.
- ⁴ In accordance with paragraph 26(e) of the annex to decision 3/CMA.3, the host Party shall indicate publicly to the Supervisory Body the types of Article 6.4 mechanism activity that it would consider approving and how such types of activity and any associated emission reductions would contribute to the achievement of its nationally determined contribution, if applicable, its long-term low greenhouse gas emission development strategy, if it has submitted one, and the long-term goals of the Paris Agreement. Paragraph 6 of annex I to decision 7/CMA.4 further elaborated that CDM project activities, PoAs and the CPAs therein, and activities in provisional requests that may transition to the Article 6.4 mechanism shall be among the activity types indicated by the host Party.
