

Article 6.4 Mechanism
Prior consideration notification form for projects
(V01.0)

Project Title:	150 MW Solar Project in Jaisalmer, Rajasthan
Names of the activity participants:	Tata Power Renewable Energy Limited
Host party:	India
Precise geographical location (Full address or GPS coordinates):	Chhayan village, Pokaran Taluka Jaisalmer Dist., Rajasthan
A brief description of the technologies or measures to be deployed:	The project activity involves the installation of Solar PV based electricity generation project. The total installed capacity of the project is 150 MW Solar PV plant located in Rajasthan state in India.
The Article 6.4 mechanism methodology to be applied (if already known):	Not known
The actual or planned start date of the activity:	24 Jun 2021
The type of the crediting period:	Fixed
Start date of the crediting period:	24 Jun 2021
The approximate amount of GHG emission reductions or net GHG removals expected to be achieved by the project on average:	343,797 tCO ₂ eq per year
