

Article 6.4 Mechanism
Prior consideration notification form for projects
(V01.0)

Project Title:	Solar Power Project by Dalmia Cement in Assam
Names of the activity participants:	EKI Energy Services Limited
Host party:	India
Precise geographical location (Full address or GPS coordinates):	Lanka- Mosoka Rd, Pipal Pukhuri No.2 village, Hojai District in the State of Assam.
A brief description of the technologies or measures to be deployed:	The project involves installation of Solar Photovoltaic (SPV) Panels on ground mounted in the state of Assam, India. The sole purpose of project activity is to install solar power plant for captive purpose and surplus generated electricity can be supplied to grid. Baseline scenario of project activity is defined in section 3.4.
The Article 6.4 mechanism methodology to be applied (if already known):	Not known
The actual or planned start date of the activity:	24 Jun 2022
The type of the crediting period:	Renewable
Start date of the crediting period:	24 Jun 2023
The approximate amount of GHG emission reductions or net GHG removals expected to be achieved by the project on average:	29,428 tCO ₂ eq per year
